

4 Advantages of Disinfecting & Deep Cleaning

Safety Regulations

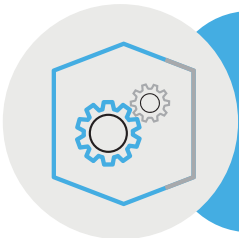

Stay current on important cleaning mandates. If questions of compliance are ever an issue; you will have a record of your cleaning services.

Customer Confidence

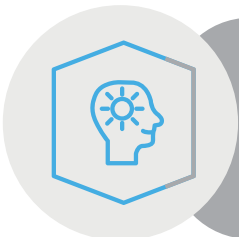

Restaurant guests, retail customers and business clients want to feel secure in their surroundings. The knowledge that their environment is professionally cleaned and disinfected is especially important. Their sense of safety inside your facility impacts their experience.

Employee Productivity

Your efforts to provide healthy workspaces reflect your commitment to their overall well-being. When employees see certified technicians regularly cleaning and disinfecting their work environment, they know you care.

Peace of Mind

You will have peace of mind knowing you are protecting your building environment. Cleaning and disinfecting can also enhance the appearance of your business and is one of the most cost-effective ways to invest.

With more than 50 years of service experience, Jani-King has earned our trusted reputation by providing results. No matter what your needs may be, we can deliver a cleaning program that provides consistent, quality cleaning and disinfecting that enhances the health of your building.
